DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

A. Regarding Japanese Patent Publication No. 10-190347, the reference will not be considered by the Examiner. See MPEP 37 C.F.R. 1.97.

B. Regarding the Office Action issued from Swedish Patent Application No. 0302979-0, the Examiner acknowledges that the IDS submitted April 20, 2010 incorrectly listed the Office Action, dated June 4, 2004, issued in Korean Patent Application Serial No. 10-2006-7007866 which instead should have listed the Office Action, dated June 4, 2004, issued from Swedish Patent Application No. 0302979-0. Since the Office Action issued from Swedish Patent Application No. 0302979-0 was correctly submitted with the IDS on April 20, 2010, the reference has been considered by the Examiner and made of record.

The Examiner is re-submitting the IDS dated April 20, 2010 correctly listing the Office Action, dated June 4, 2004, issued from Swedish Patent Application No. 0302979-0.

See Attachment with annotation.
